Dear Allen:

Your letter about  was very helpful. And, I am grateful to you for it.

While I am getting old still I love and enjoy out door life. Why don't you break away and come down for a cruise and good fishing? If not in the near future, please plan to join me in some Canadian goose shooting this fall. I promise you the limit of geese each day.

Of course, this invitation includes Mrs. Dulles.

Ever your friend,
